<b>Carrying help:</b>	Earpiece
<b>Period of use:</b>	Constant use
<b>Product component:</b>	Instructions and information from the manufacturer are included with the product.

**Risk category (PPE regulation): category II - Protective equipment to protect from danger**

## Product description

These prescription safety glasses bring together the balance of defective vision with eye protection to guard against mechanical, chemical and/or optical factors. The focus in this decision process is providing optimum protection along with the personal requirements and fulfilling the conditions of the daily tasks. It is essential that the prescription safety glasses are tested together with the glass and frame. This is the only way of ensuring that the safety eyewear can be used in the required strength class. An investment that pays for itself !

<b>Article no:</b>	3004 0001 00
<b>Colour of frame:</b>	black
<b>Execution:</b>	CF   SAR
<b>Lens type:</b>	2-1.2 UG 1 F CE
<b>Size:</b>	52/20   54/20   58/20
<b>Mechanical resistance:</b>	F
<b>Tint color:</b>	clear
