Product name:	UNlvaria UG- 20 UNIfame
Product line:	UNICOcomfort
General product properties :	Standard correction
Product characteristics:	Spectacles
Equipment:	without inclination
Mechanical resistance :	F
Product group:	HIGHVISION
EN standards:	PPE Regulation (EU) 2016/425 PPE Regulation (EU) 2016/425
Carrying help:	Earpiece
Period of use:	Constant use
Product component:	Instructions and information from the manufacturer are included with the product.

Risk category (PPE regulation): category II - Protective equipment to protect from danger

Product description

Available in the reading strengths: Additions: +1.0 / +1.50 / + 2.00 / +2.50. With our ready-made progressive reading glasses UNlvaria ProClean and Eco we solve the issue of too short arms and offer visual comfort in HD quality for reading distances. The progressive design, which has been especially developed for this purpose with around 27,000 calculation points, ensures a smooth transition from the corrected reading area to the uncorrected distant area. This eliminates the need to change reading glasses and safety eyewear. Thanks to UNlvaria ProClean and Eco, you have safety eyewear that also allows you to read nearby.

Article no: 2182 7054 00
Colour of frame: crystal/grey
Execution: -
Lens type: 2C-1.2 1 F CE
Size: 54/19
Mechanical resistance: F
Tint color: clear | clear
Coating: Super-Antireflex | UV protection | cleaning layer | fog-free | scratch-resistant
Material lens: TRIVEX®
Branch code: Agriculture/Forestry/Fishery | Chemical industry | Construction/road construction | Craft sector | Gastronomy | Horticulture | Mechanical engineering | Metal processing industry | Printing industry | Waste management | transport/warehouse/logistics

Optical **Class 1** with particularly high requirements for visual performance for continuous use according to EN166:2001
